FROM THE PAST: 1957 CLUB FLIGHT

A couple of comments regarding the "1957 Flight". It may have been in the early 60's - 63 or 64. On the copy I have it is identified as 1957 - any further information?

**Season 2012
 Round 2**

Rosewater	1.4	5.8	7.11	7.12	(54)
Adelaide Lutheran	5.4	6.8	14.11	17.17	(119)

In the end a second blow out in the second half. We were right in it at half time. We had been very much astray in the first quarter where we missed easy shots. We could have been, quite easily, and perhaps should have been, 4.1. This may have made a significant difference to our second half performance - or more accurately non-performance. And in fact we let them back in by some undisciplined free kicks - undisciplined acts - giving them freebee goals!

Our second quarter was much better. We attacked the ball, got in front, took the free kicks on offer and put through 4.4 to Lutheran's 1.4. Dav Baumann really came to play and was dominating all over the ground, while Brad Taheny was very productive, and quick, from the packs. Adam Rumbelow and Daniel Reardon were strong in defence and were covering Lutheran's hot spot forward - with Ben Thomas and Brian Curtis also repelling from defence, and Brett McPherson gathering possessions. We looked good and went to half time 1 goal in arrears. But we looked to be playing the better football.

The third quarter and half the players didn't appear to come back from the clubrooms. They were complimented by Brad Horsell on their fight-back and perhaps half thought that was enough. The third quarter was an avalanche of goals into our backlines. Our backlines defended well but it spilled from our forwards in massive waves, overwhelming the stout defence of Rumbelow, Curtis and Thomas. A very disappointing quarter.

We changed things around for the final quarter but again Lutheran had a sniff and didn't take the foot off the pedal. We put the brakes on and their scoring

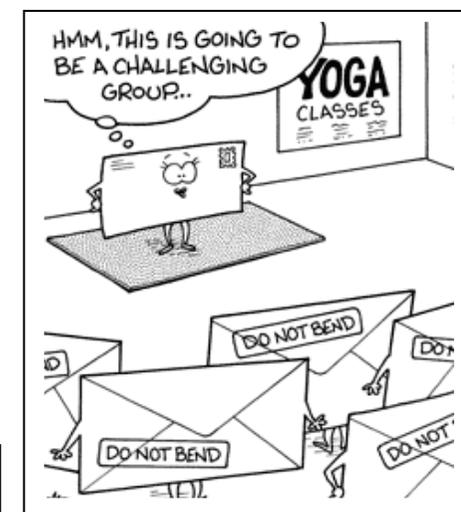

moderated with their scoreboard accumulation restricted to a reasonable three goals - but in the end what promised so much really turned sour.

Best:

1. **Dav Baumann** with a four quarter effort, great ruck display, a couple of mammoth marks particularly the one in the goal square, carried all before him.
2. **Sam Sparvell**, off a wing - good attack on ball and penetrating kicks.
3. **Ben Thomas** in defence on their target did very well in restricting what would normally be a ten goal plus effort to 4.
4. **Adam Rumbelow** strong across half back and assisted Thomas by doubling up.
5. **Brad Taheny** runs the legs off the opposition and puts us into attack relentlessly.

Goals:

Brad Taheny 2, Dav Baumann, John Page, James Carson, Brett McPherson, Tyson Jacquier 1.

ROSEWATER JUNIORS

U8's: A hard fought effort in a game where the result, each week, hangs on everything – determines our lives – and our players gave their all in a good display doing themselves proud! Believe this was a game, where we came out on top! Well done to all!

U10's: The boys put in a huge effort today and played an awesome defensive game. **Best:** Jordan Karpany, Ryan Newchurch and Alec Sutherland.

U12's: Woodville South 8.3 (51) v Rosewater 4.7 (31)
Goals: Jacob Sansbury 2 Patrick Hure, Anthony Giacobbe.
The team celebrated **Kiana Lee 50th Game**.

The team contributed a great all round effort, showing some very strong passages of team play, which helped build their confidence. Both teams having the same amount of scoring opportunities.

Best: Cohen Cuellar Anthony Giacobbe Patrick Hillard

U14's: A bad loss today with not enough numbers on the ground. Thank you to the U12's who stepped up and played a second game.

Best: Toby Aldridge and Alex Eaton

Goals: Edwin Milera 1 Goal.

OLD DOGS:

Against University Greys Peter Gates made his debut! Shane Gates father! Also Dennis Umpherston. Last week we had Darius Ceroni and Ian Sansbury make their debuts. In this match, which was a great contest of superbly credentialed stars (of yesteryear), we came up just short.

Super Goals: Carbone 1. (Frank is always a target standing in the square ever willing to sink the slipper into a raking 60 m drop kick! **Goals:** Silver Fox 3, Kym Rasheed 2, Grant Hure, Mildren, Coles, Yelland, all 1.

Best: Silver Fox Darius Ceroni Ian Sansbury Matt Morris, Frank Carbone.

ROSEWATER B GRADE

B Grade v Adelaide Lutheran Rosewater 2.1 (13) Ade L 24.14 (158)

Adelaide Lutheran has a B Grade which would challenge most Division 5 A Grade sides. They have a depth of players with many well over the old 6ft running around in the B's. They attack in waves, running with the ball, one always in front of the play, a couple to the rear, and a player always seems to be able to sneak out to be 50 metres ahead and on his own on the north south centre line. Gets there in a well drilled fashion to take the ball when it comes forward. We had many who tried very hard. But our class was not to the depth of Adelaide Lutheran. Added to the best players could be listed Mark Baryczka, Eddie Graham-Vanderby and Muzza Murray. We did contest well, after the first quarter blow-out. Brett Gooley was very good in ruck - strong at the ball and broke up the packs - Rob Brokensha's kicking was a delight to watch, while Adam Purvis was damaging, James Grant kicked our entire score and Corey Partridge gave his all. Partridge looks the goods and a return to the A's should be sooner than later!

Best: Brett Gooley Adam Purvis Rob Brokensha Corey Partridge Mark Baryczka. **Goals:** James Grant 2.

A long way off – but one most would have to plan for:

AFL Masters National Carnival

Date: Saturday 6 October 2012 – Saturday 13 October 2012

What's On: The national carnival will be held from 6th - 13th October in **Townsville**. Players interested in playing or would like more information please contact Frank Carbone or Grant Hure.
