**A GRADE REGISTERS A VERY BIG WIN**

ROSEWATER	6.3	10.8	19.10	26.15	(171)
ADELAIDE UNI	1.0	4.1	4.2	5.3	(33)

We had winners all over the ground. In fact our domination of the game was total. And the score reflects our dominance. Our early season form has been very good and this win makes it three in a row. The win started with our centre square dominance, in ruck with Justin Lesiuk continuing his outstanding early season form, backed up by Josh Vines dominating the ball possessions, and then once into the forwards, in the first half Brad Horsell providing the focal point, while later Jarrad Schar chipped in and nearly eclipsed Horsell's nine. We got away to a good start with all on top. For the majority of the first quarter, as with the entire game, the ball was in our forwards. We had the runners – James Deeley-Godfrey, Todd Shannon, Hughie Johnson-Schroeder, Vines, and Doc Reardon, all exploding into attack. When the ball did find its way into our defence it was repelled. This was especially so for Rhett Quinlivan who rebounded with dash and accuracy of delivery. The ground was set for a very good result.

Adelaide University rallied in the second quarter. They had the slight wind advantage and kicked 3.1 in the only quarter where they challenged. While we kicked 4.5 this was the only quarter where our backs had any significant "game time". Adam Rumbelow and Quinlivan were prominent, as was David Giuffreda – but again the game centred on our mid-field and forwards. At half time we had the game well in hand.

The third quarter belonged to Jarrad Schar. He completely took apart the Uni defence. He kicked five straight, three in a row from about 40 metres out, and each one splitting the centre, a carbon copy of each other. At the end of the third quarter the game was gone – as far as the opposition **Over.....**

**ANZAC DAY HOME MATCH**  
**THURSDAY 25 APRIL 2013**

Thursday April 25 will be a home match where we host Mitchell Park. On this ANZAC Day fixture it is planned to have remembrance celebrations conducted after the conclusion of the B Grade and before the commencement of the A Grade. Mitchell Park will be joining with us in the ceremony. Earlier in the day many Rosewater players and officials are joining with Laurie Marshall and the Port Adelaide Naval Association at their Dawn Service. Laurie is a committee person with the Naval Association and the liaison where Rosewater members have supported this morning service has been in place for many years. Laurie has been known to get a little "excited" on this day. With Laurie's duties lying elsewhere Dean Leone will be joined by Jodi Barratt for training requirements. The match should be good one and all supporters are requested to make Rosewater Oval, Eric Sutton Reserve, their destination on ANZAC Day. Eric Sutton Reserve is named after Alderman, Eric Sutton, who died while a prisoner-of-war in Thailand in July 1943. Eric Sutton served as a member of council, from 1930 until 1942.

**A Grade Continued.....**

were concerned. Interest in the final quarter revolved on whether Horsell or Schar would kick 10, or if both would return this score, or which one would get the most. We were by far the fitter side, had much better systems, and we had the higher number of players with better skills and ability. A return of 7.5 for the quarter had us home in what was a percentage building exhibition. The nagging question is: What was the strength of the opposition? We will know about this after our next encounter with Mitchell Park.

**Best:** 1. **Adam Cross** got the hard ball out of the packs, and delivered it forward. 2. **Brad Horsell**, 9 goals, with again an exhibition of marking and good goal kicking. 3. **Jarrad Schar** with 8 goals, a run in the ruck and a major target in the forwards. 4. **Justin Lesiuk** is gathering pace with each game as our runners acclimatise to him winning every tap in ruck. Some major thumps forward too. 5. **Josh Vines** with 29 possessions in the game (even with a quiet second quarter) in an "all ground" running exhibition. All the other players could have been included in the top 5.

Presentation Best: Schar, Johnson-Schroeder, Deeley-Godfrey, Tyson Thomas, Vines – as the top five.

Add to these: Rhett Quinlivan – injured but until he was he dashed out of defence taking all with him.

**Goals:** Horsell 9, Schar 8, Chris Forster (back to his fast and furious) 2, and singles to Thomas, Vines, Grant, Hughie, Shannon, Deeley-Godfrey and Giuffreda.

**The correct score:** The electronic scoreboard at University No 1 had us registering 27 goals. This was an error where the final point was registered as a goal. 26 goals is the official score. None-the-less we have a photo (included in Old Dogs) of the 27 goal score – never let the truth get in the way of a good story!

**B Grade**

<b>Rosewater</b>	<b>3.7</b>	<b>4.10</b>	<b>9.12</b>	<b>9.15</b>	<b>(69)</b>
<b>Adelaide University</b>	<b>3.0</b>	<b>5.0</b>	<b>7.1</b>	<b>11.5</b>	<b>(71)</b>

Blasting away with little hope of getting a major return, and some "plays" where a pass off to a player in a much better position was the order of the day, cost us this game. University battled on throughout the encounter and kept themselves in the game through getting the best result for their efforts, in what was a team effort. We squandered ours with a couple of players looking for personal glory when a team effort would have been the better policy. At Presentation this was clearly the message of Assistant Coach, Chris Burden. His comments were endorsed and expanded upon by Brad Horsell who clearly made known his requirements for team players first (when selection for A Grade is made). But to the game. We dominated in the play. But we could not kick straight, and in the final quarter, Uni with the scent of victory, raised themselves with a very good final quarter to take out the points. It went right down to the wire and we were ever so close when James Carson with the last score of the day managed a point which was oh so close!

**Best:** 1. **Darren Sinapius** has the skills and nous to confuse the opposition and put us forward to advantage. 2. **James Carson** had a second very good game in a row (and will be in line for an A Grade recall). 3. **Brodie Cahill** in an aggressive display got us forward on many occasions. 4. **Mat Kooyman** got better as the game progressed with good defence and some outstanding grabs. 5. **Mark Baryczka** is a powerhouse, bullocking us forward or standing in packs as a high profile target. **Goals:** Carson 4, Kelton Young 2 (injured), singles to Ben Hall, Scott Balchin (looks promising), Baryczka, Josh McDonald (I'm in the forwards now!) A win ANZAC Day!
