### Masters Round 4 Sunday 19 May 2013 at Ledger Reserve versus Pooraka

Sunday saw another huge pack of "Old Dogs" front up for the first home game against the Riverland, and welcomed the return of Peter "Pee Wee" Edwards from a self imposed spell who as usual delivered with grit and tenacity as well as new comer David "DMAC" MacDonald.

Riverland are always competitive and it would take a good team effort and lots of numbers to get over them. The Old Dogs had 12 on the bench and were lucky there were no interchange limits as they amassed a huge 144 rotations for all to participate in the game and a tactic we will employ for the year to confuse the opposition, so long as we don't confuse ourselves.

The Old Dogs got on top in the first quarter and could have been well in front if a couple of shabby attempts at super goals (drop kicks out of the square worth 2 goals) had hit their mark. Bruce Bampton got onto the score card with a goal and looked like troubling the scores for a second time but the nerves got the better of him and sprayed it out on the full.

Riverland were always pressing and the second quarter was very even as both teams traded goals with advantage still with the Old Dogs.

The third quarter was a tough battle and the Old Dogs defenders – Roy Rodgers, Stephen Olthoff and Dennis Umpherston stood resolutely and thwarted many Riverland advances.

Darius Ceroni in the middle and second game Steve Bastian created all day with Peter Miles (4) and Keith Weetra (3) peppering the goals.

In the end the Old Dogs did enough to hold off the Riverland game played in good spirit and enjoyed by all.

The Team would like to thank Grant Hure (strained heart muscle), Tony Matthews (interchange rotations steward) and Roger Leyonhjelm (drinks and strategist) for their support on Sunday.

Rosewater 4-3 7-6 9-7 11-10 (76)  
 Riverland 1-1 4-1 7-2 7-3 (45)

Best: Ceroni, Rogers, Olthoff, Bastian, Umpherston, Weetra

Goals: P. Miles 4, Weetra 3, Ceroni, Rasheed, Bampton, Edwards all 1

**Our next game is this coming weekend – close to home and all spectators are much appreciated.**

## Rosewater Juniors

### U12: Rosewater 8:2 (50) Henley 5:2 (32)

Wow! What a great INHERITANCE I received to the renewed Rosewater Football Club culture. Defeating a competitive Henley side was clearly a great moment amongst the players, parents and generally all involved at the kennel. The Dogs got off to a great start thanks to Darren who lifted the groups intensity after a lacklustre warm up. Maintaining a slender lead throughout the game the Dogs kept responding and held off a determined Sharks outfit who never gave up. Special mention to Daniel on his first goal and Kerri-Ann on her defensive efforts! The team has been in great hands and I look forward to continuing the good work established by the group. Coach Paul

**Best:** A fantastic team effort by all under 12's players

**Goals:** L Goldsmith 3, J Bartley 2, J Morris, K Lee, D Pryor 1.

### U14: Round 5: v Lockleys Mercy Rule

It was another MERCY game with the half time score 15:6 to 1:2. But a day we are so very proud of these young men and their sportsmanship. Lockleys are a 15 squad, which meant 3 of our players played for Lockleys each quarter. To level out the playing field this week we also had our players play in every combination imaginable. To their full credit they stuck to the "structure" and the coach was very happy. We had 15 goal scorers. 3 each to Toby Aldridge, Matt Wanganeen, Eddie Milera, Kobe and Izak Rankine, 2 each to Paddy Hure, Tremaine Gollan – Davey, Cory Walker, 1 to each of the following players: Ray Burns, Tyler Morris, Nic Balchin, Kale Christopher, Patrick Hillard, Shane Shulver, Tyler Hayward. Score 28:19 (187).

This week we would like to introduce **our 3 newest players, Seng ( Buddy) Vuthy** at 144.5 cm tall he is our pocket rocket, playing just his second game but has a love for the Aussie Rules. **Caleb Hortin**, who joined the club at the start of the year, has only played school football and is still a little shy on the field. **Daniel Incorvaia** is new to football having played soccer in the past, so is building his skills and getting a few more touches each week. Our more experienced play gives them a lot of support on and off the field so we look forward to their development. Not sure what the week ahead will have for these boys, as their good form has drawn lots of attention, which may find them moved to the Blue group which is a stronger comp. Coach Coles feels whatever the outcome this group are up for it and we know that we will have everyone's support whatever comes their way. BULLDOGS Loud and Proud!

### U16: Round 5: v Flinders Park A loss see below

We played in an earlier timeslot versus Flinders Park and scored first with plenty of pressure, catching Flinders Park by surprise, with good team work and running. We were working well as a team. Unfortunately due to an unlucky fall by an opposition player rendering him unconscious game time was lost for the rest of the first quarter, and unsettled our momentum in the second and third quarters, with Flinders Park able to kick away. Later, early in the last, an opposition player fell awkwardly breaking his wrist, resulting in the rest of final quarter unplayable. Both incidents required ambulance attendances. Both were in the play and were unfortunate accidents. We only played about 40 mins total game time. Flinders Park was in front, but we were challenging, and may have lost the game due to the lack of 4 quarters time. It was unfortunate but we showed great character in such unusual circumstances. Both incidents were unintentional with no malice. Well done boys for showing maturity and ability to keep focus. The player rendered unconscious, it is reported, thankfully, has made a full recovery.
