FINANCIAL MEMBERSHIP IS THE STRENGTH OF THE CLUB

250 GAMES SAAFL FOR RUMBLES

Adam Rumbelow commenced in the Juniors, played in the grades from (the then) U9's to U15's – was part of a couple of Premiership Teams. Then had a break for four seasons and resumed in 1999. Since then has played 250 SAAFL games (with 6 at Port District). Some do not count multiple played on the same day – ie he "made up the number" on two occasions playing B's before the A's and played two B grade matches returning from "hammies". So putting that all together he will, subject to no indiscretions or injuries, and maintaining form, play his 250th A Grade game in the first finals game we play. Along the way he has achieved Life Membership, the Captaincy (6 years), been a junior coach, our I.T. man, and a late night patron - (at times I'm reliably informed).

CLUBROOMS SUBJECT TO CONTINUING ANTI SOCIAL BEHAVIOUR MEMBER CHILDREN ARE SUSPECTED AS THE OFFENDERS

Recently on a number of occasions, we have had to get plumbers to attend the clubrooms to un-block our toilets. It has become apparent that someone/somebody has been stuffing toilet paper, leaves, sticks, you name it, into our toilets. We'd like to take this opportunity to ask every parent to address this issue with their children. This is a good time to remind our kids that we need to look after our clubrooms and it is important they advise an adult immediately if they see anybody doing any damage to our property. Unfortunately, this has become quite an expensive problem for our Club so please let's all keep our eyes and ears open.

The damage is occurring, in the main, in the female toilets and the "Away Toilets". The offending commenced on our first use of the building this year – and has occurred on at least a further four occasions. Each call out of the plumber incurs a cost to the club, and prior to the plumber's attendance the toilets are unable to be used.

We have made inquiries and are satisfied (sadly) the offenders are our "own".

ACTS OF KINDNESS REWARDED

Peter Smith our resident fencing contractor assisted in providing several post holes for us (to keep vehicles off the pavers – which are not able to take the weight). Very generously dug them and also provided cement mix for our other plumbing problem (see Shayne Wodson for details) and immediately his number appears in the Member's Draw.

Thank you Peter.

U16'S V OLD DOGS

Top left: Gathering of the storm! Top Right: How we should have done it – shepherd off and take the big grabs!
Bottom left: Bruce – what did you do? Bottom right: You should have seen me years ago!

As we all know, a total bye was had this weekend. We took the opportunity to arrange a bonding sleepover @ the club. With games, food, and a little wisdom from our associated U16's officials. We had a great night with good interaction between players, followed by a BBQ breakfast and a trial game with Masters. Great to see the "OLD DOGS" support and give valuable advice, which was well received and appreciated by our boys. Not to mention we were comprehensively beaten but I'm sure there were a few 35's very sore Monday! WELL DONE EVERYONE! A special thanks to Michael for arranging and donating our food and beverage. Much appreciated.
