<b>Rosewater</b>	<b>4-3</b>	<b>5-6</b>	<b>6-7</b>	<b>8-7</b>	<b>(55)</b>
<b>East.</b>	<b>5-3</b>	<b>8-4</b>	<b>13-7</b>	<b>16-8</b>	<b>(104)</b>

The Old Dogs again had plenty to pick from and welcomed the return of Scott "Big Red-Sauce" Lee. A later start of 3:00pm due to juniors and the boys arrived early and that could have been the downfall. Don't go into the Bar! Most arrived well before 2:00pm possibly due to their body clocks telling them they should be changed and getting ready to go for a normal start.

Plenty of discussion and a lengthy warm up had the team ready to go and winning the toss and then kicking into a strong wind the Old Dogs matched East's to be only a goal down at the first change.

From then on it was an uphill struggle to keep up with the much younger "play for sheep stations" East's.

The Old Dogs battled to the end but came up well short and with a few injuries as a result of the more physical East's.

S. Sinclair and Dean "Big Bombs" Campbell battled tenaciously and Trent "Kouta" Silcock was desperate all day while Peter Miles marked everything in sight, and had his kicking boots on, to end the day with 5 majors!

**A credit to all the Old Dogs players for continuing to play the game in the correct spirit even when things got a bit testy.**

**Best:** S. Sinclair, T. Seacock, Dean Campbell, P. Miles, F. Carbone

**Goals:** P.Miles 5, K.Rasheed, I.Sansbury, M.Fistr all 1

**The next game is a Home game versus River Murray on Sunday 17<sup>th</sup> August.**

#### Grass Hoppers: Rosewater v Henley

After a sodden week, it was a glorious Sunday morning that was the backdrop to a tough game for the Under 8 team. Our last encounter with 'The Sharks' was extremely one sided with few scoring opportunities by us. Rosewater started slowly and rarely found a path out of the centre. **Will** and **Kane** tried hard but found the Henley defence hard to get through. At the end of the first quarter our forwards had only received the ball once and it was quickly rebounded. **Joseph** racked up many defensive possessions and **Sonny** and **Zack** tried hard. The second quarter saw better concentration and this resulted in a few more entries into our forward lines, resulting in a goal to **Will**. **Jordan** and **Seth** ran well and **Roy** and **Bailey** chased well and made the Henley midfielders work. At halftime we went in with a bit more confidence that we could score more. In the third quarter in was much more of the same, although we began to make a bit more space and defensively stick to our zones. Henley seemed to score at will but **Kane**, **Joseph** and **Isaac** made it more difficult for them. The last term saw **Bailey** spear a lovely pass to the leading **Austin**, who goaled from a set shot. **Joseph** was best on ground and **Will** received the top team man award. **David Richardson & Justin de Wit (Coaches)**.

#### U12: Rosewater 4.5 (29) Henley 4.6 (30)

This week the 5th placed Rosewater hosted the 4th placed Henley in what was a must win game if the Dogs were to push for September action. The Sharks kicked the first goal and Rosies soon responded which set the pattern of the game. The action packed last quarter saw the Bulldogs dig deep but the siren went and the scoreboard showed Rosewater going down by the single solitary point! We were very gracious in defeat considering and regardless of the result, participating in an atmosphere full of tension, and pressure in front of a very vocal and supportive kennel, and is an experience that I hope stays with them forever.

**Deacon Braun** was outstanding and could not have done any more, **James Quinlivan** presented and is really starting to show some form, **Adrian Altus** rucked all day and got involved around the ground, **Sam Kennedy** is bustling his way onto the footy and **Lindsay Highfold** showed he is back to some goal kicking form. Another positive for the club was this week's very healthy numbers at training and at the game!  
Well done everyone, keep it up!

**BEST: Bradley Forrest, Deacon Braun, Lindsay Goldsmith, Joshua Bartley, Adrian Altus.**

**GOALS: Lindsay Goldsmith 2, Joshua Bartley, Joshua Morris - 1 each**

#### U14: Rosewater Plenty Lockleys

While today's result will be recorded as a mercy win for Rosewater against Lockleys. I know that we do feel for these teams that we are thrashing, as we have been there so many times in the past! But gee whiz 37:21 and 15 goal scorers in one team, it still feels great to win. The team ran out led by **Toby Aldridge** this week as he celebrated his 50th game with Rosewater Juniors! And just to cap off his day he was one of two players to kick 5 goals. Coach Coles had some fun trying out the back line as a forward line and the forward line as back line. After a couple of weeks of playing in swamp like conditions, it was a joy to see the boys able to play on the fantastic surface Eric Sutton Oval. Our goal scores this week: **Eddie Milera 6, Toby Aldridge, Ray Burns 5**, 3 each to **Tylar Morris, Nick Balchin & Shane Shulver**, 2 each to **Dion Doolan, Jacob Sansbury Tremaine Gollan-Davey**, 1 each to **Cory Walker, Tayzer Mc Bride, Kale Christopher, Matt Wanganeen, Paddy Hure** and **Tom Heinrich**.

*Home again next week against West Croydon who can put up a good hard game so should be another ripper.*

**U16:** The U16's were very competitive all day! A most impressive display and we finally looked like a team, running, talking, accurate in disposal, and all the things good teams do! Unfortunately Woodville South interchanged 6 or 7 guns at half time, muting our attempts considerably, and taking the game away from us. However, the score was no reflection on where we have got to. Congratulations to all and your efforts were great to see - well done!  
**Best: Mitchell, Darren "Gazelle", Alex, Daniel, Keith, Sam, Tyson, Jayden.**  
We are moving up with our skills – and with our game - Great stuff.
