UNDER 14'S POWER INTO GRAND FINAL

Woodville Oval - 10.44am Sunday 15 September 2013

From U14's Coach – Chris Coles

We now know who we will be playing in the Grand Final as **Portland** defeated Woodville South by 10 goals to secure their spot in the Grand Final. This season, in the U14's, Portland has only been defeated by Rosewater - so it is nice to see them win their way through. On **Sunday 15 September** we find a Junior Team from Rosewater in the finals for the first time in 20 years! Twenty years ago a young **Adam Rumbelow** was in our last junior winning team (Grand Final), in Rosewaters U13 team then in Western Districts Junior Football League. I wonder if 20 years ago the Rumbelow family would have thought that the Rosewater Football Club would have been a constant in their lives over that time? As with our wonderful new clubrooms that Charlie and the team worked so hard for, the foundations of any build is one of the most important attributes required. We are working for this group of talented young players to provide the playing future for the Club. They are a very talented group of players and their commitment through some dark days in the past has seen them rewarded for their efforts this season. They are the benchmark of the competition and through their hard work they have won the right to contest this Grand Final!

Shane Thomas Shulver is one of those players who have been with the Club since 2007. Grand Final day will see him clock up his **100th game for Rosewater**, so it will be a very special day. Having played for the Rosewater Juniors for the past 6 years, this is the first year he has played in a team that has managed to put together consecutive wins. So why stay at Rosewater? Because he's a Bulldog and it's now in his blood to be true to Rosewater! **We are looking forward to having the support of as many of the club faithful as possible for what will (hopefully) be another history making day.** To help you enjoy the day - **our version of the Budget, and to introduce to you, once again to our U14 Team**, see over for a full description:
