ROSEWATER 4.0 9.3 12.5 13.7 (85)
FITZROY 6.2 7.5 10.7 15.9 (99)

This was a game which we perhaps lost. Perhaps we have forgotten how to win. We were in the box seat. We had played the better football throughout the game. Into the final quarter and with a lead, and coming home to the wind favoured end – although it did drop to nothing – but any assistance was with us, but we lost! We welcomed Ben Hall for his first A game (after his first in B's last week) and on paper a pretty good side. We lost the toss and kicked into a 2 – 3 goal breeze. But we had our straight shooting boots on and came in perhaps having, in the circumstances, won the quarter. A very good goal from Chris Forster from well out was a highlight. It had been a very quick and hotly contested quarter. And we looked good. The second quarter was one in which we really got a wriggle on. This was Brad Horsell's quarter. Dashed out of full forward, presenting and marking and kicking goals. 4 on the trot in this quarter, adding to the single he had in the first. Tyson Thomas dominated in the forwards too. We had a lot of good winners with Dav Baumann on the ball, Rhett Quinliven very hard at every contest, Scotty and Joel in the backlines, and Daniel Reardon dashing out of defence. We were right on to record an upset victory. At half time we were 10 points up! Not since the first game have we been in this situation. Our third quarter has been a worry. We go missing and the third has been our quarter for falling on "bad habits". This quarter we kept the pressure on and held our lead at the last change. Joel Petterson exemplified our desperation, as was the pick-up on the run, by Scotty Jacobsen. It was a good all round team performance to put us into a commanding position.

VALE

Our long time supporter and major sponsor, Kay Brien, passed away last Saturday. Kay has had a battle with cancer, one fought courageously until the very end. Surrounded by family, with Matthew returning (from London) just a few hours prior to Kay's passing. Kay will be sadly missed by all at our Club and her many friends throughout the community she served, and of which she was an integral part. Sincere condolences to Peter, Matthew and Rebecca - and Kay's family and extended family.

Artificial intelligence is no match for natural stupidity.

If I agreed with you we'd both be wrong.

A Grade:

But we had to complete the outing with a good final quarter. We failed to bring home the points. Perhaps a bit of loss of “huff and puff” and we fell into some poor disposal. Fitzroy had increased their intensity and we let go our lead, surrendering the game in a five goal to one last quarter.

Best: 1. **Rhett Quinliven** was hard all game. Dove into packs and picked up the hard ball gets. A top effort. 2. **Dav Baumann** ran all over the ground. Good in ruck and dominated in the air. 3. **Brad Horsell** provided a major target and gathered 7 goals putting on a bit of a clinic (in marking and kicking goals). 4. **Tyson Thomas** was outstanding early and good all game. Gave us a target at centre half forward and spelled Dav in ruck. 5. **Josh Vines** again with an all running and ball gathering effort. Many other good players – Joel Pettersson, James Carson, Scotty Jacobsen, Brad Taheny, Chris Forster – all contributed. It was a pleasing effort – but we didn't win!

Goals: Brad Horsell 7, Dav Bauman 2, Tyson Thomas 2, Rhett Quinliven and Chris Forster 1 each.

B Grade: Rsoewater 7.6 (48) Fitzroy 8.9 (57)

Another good showing this week. Again we had a couple back from the A's and gave us a pretty good team. We welcomed Brad Twartz for his first game. And what a game – our best player with his brother Justin not far behind in the player stakes. We looked as if we were going to take it out. But again, like the A's, we don't seem to be able to put the opposition away. We had some pretty good performers though. Mick Cichowski was outstanding in the air at centre half back. Alex Shaw continues his running and ground hugging kicks for goal, while Robbie Cains covered the entire ground in a gut breaking effort. Darcy Heath and Brad Kenny were also very good. Throw in Brett Gooley, Keith Weetra and Brian Reid and it was disappointing not to come out of the game with a win.

Best: 1. **Brad Twartz** – debut at full back with a powerful game – good in air and thumped away when unable to mark. 2. **Justin Twartz** in ruck dominated, plus marking around the ground. 3. **Alex Shaw**, the irrepressible game breaking ruckman very suited to roving. 4. **Mick Cichowski** dominated the direct route. 5. **Robbie Cains** gut breaking coverage of the entire ground. Others to do well and unlucky not to be in top 5: Darcy Heath, Brad Kenny, Brett Gooley, Keith Weetra and Brian Reid and Mark Rothwell, with Kelton Young giving us a target up forward, and Shane Gates had many possessions.

Goals: Kelton Young 4, Alex Shaw 1, Mat Kooyman 1, Brad Kenny 1. The enthusiasm was infectious. Now to keep it up!
