**Denis Brien  
 Games Played: 75**

Denis "Rocka" Brien began with RFC in 1959. 1961 he joined the Executive Committee. This Committee was responsible for the building just demolished. 1963 he suffered a knee injury which in 1964 didn't come up and he had a cartilage removed. With very little known about Sports Medicine then a wrong diagnosis (the cartilage) was found out later in life to be a ruptured cruciate ligament. Known to have an ale or three - but is kept on his toes by a most understanding Noaline. One of RFC favourite sons. Has had a continuous involvement in cricket with SACA and West Torrens DCC (President).

Rocka's efforts in delving into the history of the WTDC has had the "spinoff" of identifying Rosewater's first mention (1887) in the SA press – now even further back!
